April 18, 1973

all by themselves and do this. All I'm warning you, you'd better go down and talk to somebody about this that really knows what it is. The meat inspection department of the Department of Agriculture, Glenn Kreuscher, better get with them because you might be opening a whole deal here that you don't want in on.

PRESIDENT: Well, gentlemen, do you want a caucus back there?

SENATOR R. LEWIS: I still ask to have it returned for this' amendment on Select File?

PRESIDENT: You want to return it for that specific amendment?

SENATOR R. LEWIS: Right, we'll check it out.

PRESIDENT: Now wait a minute, you're going to check it out or you're going to return it and hold it there pending that amendment?

SENATOR R. LEWIS: Right.

PRESIDENT: All right then we're asking to return LB 378 to Select File for a specific amendment but we're going to hold it there until the amendment is checked out. Question is, shall 378 be returned to Select File under those conditions? All those in favor vote aye, all those opposed vote no. Senator Lewis and Rasmussen are asking for 378 to be returned to Select File and then held there pending this specific amendment. Thank you. Clerk will record.

CLERK: 26 ayes, on the motion to return.

CLERK: I have a series of these motions to return, Mr. President.

SENATOR CARPENTER: All right, let's take them up.

CLERK: Reads.

PRESIDENT: Senator Lewis, we're ready for your motion on LB 378A.

SENATOR R. LEWIS: Well, again I'm going back to Senator Rasmussen's bill but the Department of Agriculture said that they did like, they would like to have this bill advanced and passed into law and to kill the A-bill so I'm asking that it be indefinitely postponed.

PRESIDENT: Is there any further discussion of the motion? Now the motion is to return LB 378A to Select File for a specific amendment, that be to strike the enacting clause. Senator Rasmussen.

SENATOR RASMUSSEN: I rise to support Senator Lewis on this.

PRESIDENT: Is there any further discussion now? Question is, shall 378A be brought back to Select File for specific amendment, that be to strike the enacting clause? All those in favor vote aye, all those opposed vote no. Have you all
